SMSA Trust

Dear Lindiwe

On behalf of the ACFS Community Education and Feeding Scheme, more importantly the needy children, I would like to express my sincere gratitude for assisting us on the World Hunger Day. We acknowledge the donation of foodstuff that was distributed to the extremely needy families in Kliptown.

As we were educating communities on nutrition and ways of saving food, we were also pleased to issue out food parcels to destitute families. We appreciate the donation of samp, baked beans, bread and dried soup. You donated 52 parcels and I am pleased to inform you that your donation impacted far more than 52 individuals. Most of the families you saw yesterday, they have an average of 7-9 individuals per family. Together we can give the children an opportunity to grow healthy with enough food.

It is people of your calibre who make this world a better and beautiful place to live in. We feel extremely honoured to be associated with you and your company.

Yours Sincerely

Phindile Hlalele
