Re: Donation

This letter serves to express our sincere gratitude to you for the donation of 13 Tickets to watch Kaizer Chiefs Vs AS Vita FC provided to our children in the centre.

Othandweni centre is a project of Johannesburg Child Welfare that caters for **90** children who are abused, neglected, abandoned or orphaned from **0 -18** years of age. Othandweni acts as a place of safety where children are placed until suitable families have been found either by our adoptions or foster care department. Those children, who cannot be immediately placed, stay at Othandweni for as long as is necessary. We render services to the children in Soweto and greater Johannesburg.

At Othandweni, we are committed to providing a warm, loving and nurturing environment for children in need. While some are newborn babies who have been abandoned, and who may be HIV positive, others have suffered physical or sexual abuse or prolonged and severe neglect. We work to help them overcome their trauma and their fear, and we help them to regain their confidence and self-esteem, and to understand how special they really are.

Your support is greatly appreciated and valued.

Kind regards

Phineas Phiti

Centre Manager
