Re: THANKING LETTER

Dear Sir

The Orlando Football Local Association is a primary custodian of football in Orlando and its mandate is to make sure that all processes regarding development are adhered to, this include the enhancement and transfer of soccer skill to players, coaches, match-officials and administrators.

The Association would like to take this opportunity to thank the Stadium Management for giving us (Orlando Football Local Association) fifty (50) Tickets of the match between Orlando Pirates and Black Leopard. The Association

The Association would like to forge relationship with Stadium Management for any other future endeavours.

Yours in Development
