Dear Honourable Minister

**STADIUM MANAGEMENT SA (PTY) LTD: MY CLIENT
IN RE: JUDICIAL COMMISSION OF ENQUIRY INTO FOOTBALL SAFETY ISSUES**

1. I refer to my email dated 2 July 2018, a copy whereof is attached for your ease of reference.
2. My client has instructed me to reiterate its support for and willingness to cooperate with any Commission of Enquiry established in terms of the Commissions Act 8 of 1947 (as amended) if such a body is convened for purposes of enquiring, not only into the tragic events which occurred at the FNB Stadium prior to the Kaiser Chiefs FC vs Orlando Pirates FC Derby on 29 July 2017, but into the on-going safety and security challenges relating to football matches hosted at stadia throughout the Republic of South Africa.

-
3. My client is anxious to learn whether and, if so, when such a Commission of Enquiry is likely to be established, expressing the view that, the sooner same is established and the problems and challenges which continue to plague the sport of football in South Africa are investigated and remedially addressed, the better.
 4. Kindly acknowledge receipt of this correspondence whilst being assured of my client's support for, willingness to cooperate with and to assist any such Commission of Enquiry once established.

Yours faithfully
