Dear Dr Grobler

You bring us joy!

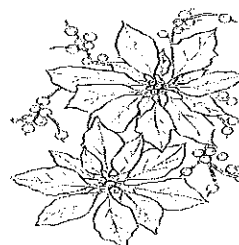

Thank you for bringing joy into the lives of our special people at LITTLE EDEN through your recent donation.

The majority of our residents do not get to go home and be with their families on Christmas day as many have been abandoned. However, through your support, our residents continue to feel loved and cared for.

I take this opportunity to wish you and yours a blessed Christmas and may you be richly rewarded in the year ahead.

Yours sincerely

MRS XELDA ROHRBECK
Chief Executive Officer
